*solid line shows bleed

*red line shows safe area

*delete red line prior to submitting art

*actual product sizes

Color Instructions:

- 1) RGB Colors give best results.
- 2) CMYK colors are not recommended but can be used.
- 3) PMS Color Matching is \$40 (G) per color. PMS colors cannot always be matched perfectly.
- 4) Without a PMS Color Match, art will be printed as provided with no guarantee on color outcomes.
