NEW!
6504 Seamless
6504y Seamless youth

Women's Sizes: 4-11, 12, 13, 14
Youth Sizes 10, 11, 12, 13, 1, 2

100% tactile
Touch Technology.

Seamless upper and
new sleeker last.

APX heel inset and
resilient polyurethane
foam insole.

Patented
Finger Grooves™
and heel notch.

Ventilation and
color change.

Crossover from sideline
to competition with
perfectly blended weight,
shock absorption,
flexibility and support.

Cross over seamlessly from sideline to competition
with perfectly blended weight, shock
absorption, flexibility and support.

High level technology combines one-piece synthetic
leather upper with varied levels of thickness applied
without seams to aid flexibility & support.

Super lightweight with no seams to fail or
cause hot spots on foot.

New last features a snug, high performance fit with
fewer air pockets around foot allowing more precise
control with maximum comfort and improved fit.

Touch Technology employs texture that provides an
immediate sensory connection between base/flyer
plus a stable platform for tumbling and stunting.

A firm heel counter cradles the heel and arch and
reduces over-pronation by helping to lock the foot
into the shoe and anchor it to the midsole.

Heel notch and patented Finger Grooves™ improve
balance and stunt control.

Durable, easy-to-clean upper resists soil & moisture.
Breathable mesh tongue. Side vents also
provide color change by showing sock color.

Premium removable insole with APX heel pad and
polyurethane foam provides resilient impact
absorption and longer lasting cushion.

6570 Stellarlyte 6570y Stellarlyte youth

Women's Sizes: 4-11, 12, 13, 14
Youth Sizes 10, 11, 12, 13, 1, 2

Injected EVA sole formulated for tumbling and stunting on specialized spring floor and blue mat surfaces.

Recommended for indoor use only.

Foot moved closer to ground for better floor sensitivity, center-of-gravity and performance.

Low-relief sole surface combined with injected EVA & rounded edges designed to provide best traction, and comfortable grip

Finger Grooves™ & heel notch to improve stunt control.

Secure-fit system adjusts to arch height for better fit, comfort and stability.

Waterproof Scotchgard™ coating keeps mesh cleaner.

Aegis™ anti-microbial lining eliminates odor & bacteria.

Upper of lightweight synthetic leather, mesh & webbing for comfort with support and ventilation.

Secure-fit provides better fit and comfort.

Foot 30% closer to the floor for more stability.

Sole texture and Finger Grooves for stunt control.

Waterproof Scotchgard coating for cleaner mesh.

Premium insole removable with APX heel cushion.

Comfortable elastic bands keep tongue centered.

6558 TouchUp 6558y TouchUp youth

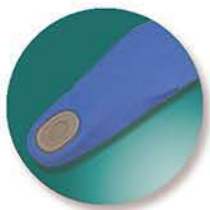

Women's Sizes: 4-11, 12, 13, 14
Youth Sizes 10, 11, 12, 13, 1, 2

100% tactile
Micro-hide upper

Secure-Fit provides
better fit and comfort.

APX heel inset and
blue foam p.u. insole.

Tuned Torsional
Outsole Bridge.

Low profile hidden
midsole.

Calabash laces.

Your sense of touch gathers information to aid balance.

Touch Technology creates a 100% tactile shoe that provides an immediate sensory connection between base/flyer plus a stable platform for tumbling & stunting.

Lightweight textured Micro-hide upper for luxurious, durable and cleanable comfort.

Now with Secure-fit that adjusts to arch height for enhanced fit, comfort and stability.

Low profile, hidden midsole design provides ultimate sensation of foot-to-surface control.

Tuned Torsional Outsole Bridge for maximum arch support and enhanced forefoot flexibility.

New premium removable insole with APX heel pad and blue polyurethane foam provides resilient impact absorption and longer lasting cushion.

Premium Calabash laces that stay tied and provide a more locked-in fit while stunting.

6336 CheerUp 6336y CheerUp Youth

Women's Sizes 4-11, 12
Youth Sizes 10, 11, 12, 13, 1, 2

Textured bottom incorporates sleeker midsole profile with high performance outsole for maximum grip, traction, and foot-to-floor control.

Removable insole with APX heelpad for added cushion and shock absorption.

High abrasion tumble toe design for added durability and ease of tumbling.

High performance mesh tongue for breathability and added comfort.

Performance lining for durability and added comfort.

Removable insole.

Sleeker midsole with better grip.

Easy-to-clean materials.

Low weight and easy to grip.

6315 Cheerful 6315y Cheerful youth

Women's Sizes: 4-11, 12, 13
Youth Sizes 10, 11, 12, 13, 1, 2

Minimal profile for sleeker design, added flexibility and lower weight.

Full rubber outsole for all surface traction & durability.

Removable EVA insole for added cushion and comfort.

Non-mesh upper for easy clean-up; partial mesh tongue for breathability.

Rear finger notch and contoured arch for stent control.

Now with performance lining for added comfort.

ADDITIONAL FITTING TIPS

There is no substitution for actually trying on the style prior to ordering. If this is not possible, please refer to the following guidelines:
Order the size shoe you would normally wear in athletic shoes.

All Kaepa shoes are fitted for medium-widths. If you wear a wide-width, order half size larger.

Feet tend to become larger as the day progresses, by as much as a full size by the end of the day.

Since one shoe may fit differently than the other, always order the size based on the larger of the two.

Children's feet grow at a very quick rate, their feet can grow as much as 2 full sizes in one year. For children's shoes you should have a thumbs width of empty space at the end of the shoe beyond their longest toe.

When you receive your new Kaepa shoes:

Try on both shoes with the socks you wear with your cheerleading shoes. On a clean surface stand up and walk around.

When lacing up the shoe, the width of the lace holes should be relatively the same all the way to the top. If not, it may not be the correct size.

There should be no less than half inch of space between the end of your longest toe and the end of the shoe toe box, or roughly your thumb width sideways.

One should be able to wiggle one's toes upwards.

Shoes should be comfortable from day-one. They should have a comfortable snug fit but should not feel tight or binding. They should not have to be "broken-in". It's true that soft upper materials give slightly, molding to your foot, but they will not dramatically increase in width or length.
